The screenshot displays the IBM Cognos Analytics interface. On the left, a sidebar contains four cards: a card with the value '247', a card with '2.85K', a card with '63.8K', and a 'Data relationships' card showing a network diagram. The main workspace features a large visualization of '63.8K' with the label 'name' positioned above and below the number. To the right, a 'Fields' panel shows a table structure with columns for '#', 'Value*', and 'Required field', and a row for 'name'. The top navigation bar includes tabs for 'My IBM', 'Airstats - Data Explor', and '(1) WhatsApp'. The bottom status bar shows the Windows taskbar with the time '08:30 PM' and date '05-11-2022'.
